What: 7 Wicked Nights in Hedonism

When: March 7-14, 2009

Have you ever wanted to just get away from it all? Let your hair down? Go wild? Swim up to a bar and order another Piña Colada? You asked for it! A week to let loose without the kids! This is not your ordinary vacation!

Come and forget your worries for a week at SuperClubs' Hedonism III resort in Runaway Bay Jamaica. When you land in Jamaica, it is ALL included...diving, entertainment, drinks (top shelf no less), food, snorkeling, scuba, waterskiing, fitness center, tennis, disco, sunfish sailing, windsurfing, glass bottom boat rides, and so much more.

This resort has pool table in the pool, a Lucite water slide that snakes its way through the disco, three pools (one is Au-Natural), three Jacuzzis, volleyball, disco, piano bar, specialty restaurants and a beachside trapeze and trampoline! And it is ALL included in one price!

So, come on, throw caution (and kids) to the wind and come play in Jamaica—as they say, be wicked for a week!

Note: there will be nudity on the property. Visit their website or contact us for more details. (www.hedonism.com)
