What: 7 Nights at Grand Pineapple Beach in Antigua

When: August 16-23, 2009

The very first thing that hits you when you arrive at Grand Pineapple Beach Antigua is the brilliant, white curve of beach that elegantly sweeps along 1,600 feet of stunning waterfront. Lapped by water so clear and gemlike that it glistens like liquid sapphire, this resort totally embodies the ultimate Caribbean experience.

Explore an undersea world teeming with colorful wildlife. Windsurf across a calm, crystalline ocean. Play a few competitive sets of tennis. Dive beneath the surface of two shimmering pools. Or simply pull up a chaise lounge under a palm tree and give in.

Hours and hours of cavorting in the surf, playing beach volleyball or just soaking in the sun's rays can certainly work up an appetite. Well, at Grand Pineapple Beach Antigua you are covered—from piquant Mexican food to rich Italian pastas and from savory Caribbean barbecue to overflowing buffet spreads, your hunger will have met its match. Three deluxe restaurants await your appetite.

Choose from a whole slew of organized activities, such as water aerobics, to get your blood pumping. Dip, sunbathe and mellow out at one of two freshwater pools. Commune with the sea, as you partake in a whole range of non-motorized watersports, including windsurfing, snorkeling, kayaking and sailing. On the land, serve a few sets on one of four hard-surface tennis courts, work out and tone up in the air-conditioned fitness center, make a smash at table tennis, unleash your inner champion in the games room, complete with slot machines, pool table and electrical darts. Dine well and drink your fill at the three restaurants and four bars. And of course a few SPT surprises along the way!

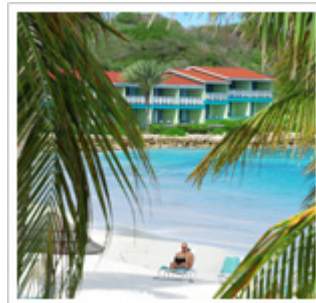

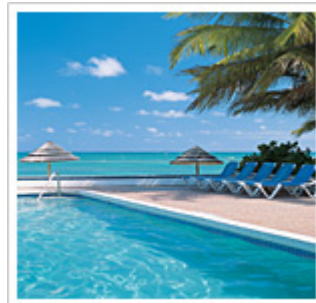

Remember this is ALL inclusive so you never need to dig out your wallet.
