Your Itinerary

Day One

Begin your Grand Canyon tour with a beautiful flight from Las Vegas to Bar Ten Ranch in a smaller propeller plane. Before you begin your three-day exploration of the Grand Canyon, you'll enjoy an overnight stay at the Bar 10 Ranch, a working ranch perched high on a plateau above the Colorado River. Your transition from civilization to wilderness includes horseback trail rides, horseshoes, ping pong, skeet shooting, chuck wagon dinner and evening entertainment before settling into bed in the lodge or outdoors in a covered wagon or outside on a spacious deck.

Day Two

After a big country breakfast, a helicopter will take you on a brief sightseeing trip to the rim, fly deep into the Grand Canyon where your raft awaits. After orientation and introductions, hold on for Kolb and Mile 207 rapids, both big plunges.

Day Three

Our J-Rig rafts enter awesome Lower Granite Gorge with a series of moderate rapids including Granite Spring, Diamond Creek and Travertine. Hike, explore and play at Travertine Grotto, a fantastic series of hidden waterfalls and pools. Run the biggest rapids of the trip, the "230's."

Day Four

As you near Lake Mead, the river calms and the canyon widens. At mid-morning, you'll transfer to a jet boat for a thrilling hour-long ride down river and across Lake Mead where a deluxe motor coach will be waiting to return you to Las Vegas and your flight home.

**Additional nights in Las Vegas are available either before or after your trip. All meals from dinner on Day One through lunch on Day Four are included
