What: Maui, Hawaii

When: June 21-28, 2009

Single Parent Travel is finally headed to Hawaii! So many of our west coast families have requested this trip, so here you go!

Unlike the other trips, this one includes airfare from Los Angeles or San Francisco.

Enjoy 7 nights at the beautiful Sheraton Maui in Kaanapali. This resort is nestled against historic Black Rock, Sheraton Maui Resort's 23 ocean front acres flow gracefully from the crest of Pu'u Keka'a to the shores of Ka'anapali Beach. Home of the nightly torch lighting and cliff diving ceremony, this 510-room resort reflects a truly Hawaiian ambiance. Enjoy tropically landscaped grounds and a meandering lagoon-like swimming pool.

Our trip includes a transfer from the Maui airport to the resort and back and a special SPT journey on June 25th for a sunrise summit of Haleakala. At 10,000 feet above sea-level, this is a once in a lifetime experience. We wake at 2am and will be back to laze on the beach by 11am.

Price: \$ 4946 (LAX 1 Adult and 1 Child)
\$ 4754 (SFO 1 Adult and 1 Child)

Prices include RT airfare from selected cities and RT transfers in Hawaii.

Reserve your space today with a \$500 deposit. Upgrades (air and hotel) are available as are additional independent excursions. Please inquire.
