What: A 5-Night
Baja Mexico Cruise

When: July 11, 2009

Two refreshing days at sea and two exciting ones in the family friendly port of Cabo San Lucas! Championship golf courses, world-class deep sea fishing and incredible diving opportunities have transformed Cabo San Lucas, a once sleepy fishing town located on the southern tip of the Baja California Peninsula, into one of the most popular resort destinations in Mexico. Rolling sand dunes and hidden coves dot a countryside ringed by some of the most famous and often-photographed rock formations in the world.

Single Parent Travel will sail on Carnival's Elation. True to her name, you'll feel your spirits soar as soon as you enter her 6-story atrium. Grab a refreshing drink at the new lobby bar before making your way to the teak-planked decks to relax in the sun, jump in the pool or head out to explore this beautiful ship. Play a round of mini-golf in her new 9-hole course or plunge into any of the three refreshing swimming pools. Ready to refuel? Make your way to one of the many eateries for a tasty treat. There is never a lull in the activity or service on a Carnival cruise.
